

Patrik Duda

Junior full stack developer

email: patrikduda001@gmail.com

phone: 606 275 393

skype: patrikduda94

portfolio: www.patrikduda.info

I am a graduate electrical engineer, a **self-taught programmer** and a farmer. I have been fully dedicated to programming for **more than two and a half years**. During this time, I also work on our family farm where I strive for partial self-sufficiency. My goal is to become a full-stack programmer who can reliably work from home for most of the time.

Skills

The practical ability with technologies:

- ★ Python
- ★ Django
- ★ Django REST framework
- ★ JavaScript
- ★ HTML
- ★ CSS
- ★ SQL
- ★ Git

I am interested in technologies:

- ★ Node.js
- ★ Docker
- ★ Vue.js
- ★ C++

Projects:

You can find my projects on my portfolio at <https://patrikduda.info/#projects> or on my GitHub at <https://github.com/dudapa?tab=repositories>.

Education:

- 2017 - 2020 (**Master's** study program: Electrical Engineering and Informatics)
Faculty of Electrical Engineering, West Bohemia University in Pilsen
Field of study: Technical Ecology
- 2013 - 2017 (**Bachelor's** study program: Electrical Engineering and Informatics)
Faculty of Electrical Engineering, West Bohemia University in Pilsen
Field of study: Electrical Engineering and Power Engineering

Soft skills:

- ❖ Discipline and perseverance. *These qualities I have developed through sports.*
- ❖ I enjoy learning. *Especially through modern technologies that allow me to create a personalized approach to studying.*
- ❖ Time management. *Learning to program and taking care of the farm requires organizing my day.*
- ❖ A human approach and empathy. *I believe these qualities come naturally to me, and I am also interested in humanities such as philosophy and psychology.*

Languages: Czech (native), **English** (B2)
